Arrival & Departure Instructions

PLEASE READ THESE INSTRUCTIONS THOROUGHLY

Arrival:

- When loading your luggage to leave for camp, please separate luggage by guys and girls. If possible, load luggage by cabins. Buses and vans will be able to pull directly up to the dorms. With luggage separated, our staff will be able to unload you quickly and efficiently.
- Bus arrival order should be as follows: (After entering the gates, stay left)
 - Dorm 2 (Bays 8,7,6,5)
 - W.C. Dorms (Bays 9-12)
 - Dorm 1 (Bays 4,3,2,1)
 - Cafeteria (Caf Bays 1-2, Upstairs "Attic" Bay)
- Please call the camp office when your group is 15 minutes out. If you have multiple churches, please have each leader call when their respective group is 15 minutes out. Camp Office: (580) 892-2600 or Jenna: (405) 821-0763.
- Camp WOW staff will be waiting when you arrive. Please follow the instruction of our staff because they will be able to direct you to the appropriate dorms.
- Camp WOW staff will help unload your buses and vans. Your students will need to take their bags into their dorms and to their bunks. Make sure students know where they are supposed to be before they get off the bus or van.

Departure:

- Check out is at 10am, so please make sure your buses are at Camp WOW by 9:30am ready to load. We will have another group arriving at 2pm and we need time to clean and prepare, so please be prompt.
- Camp WOW relies heavily on the ability of each group to thoroughly clean their dorm before departure. Please schedule an adequate amount of time for cabin clean-up on the last day (at least 1 hour).
- Camp WOW staff will be in each dorm to inspect and assist the campers as they clean, unless they are busy with other responsibilities. Please make sure your dorm captain has inspected the dorm before you depart.
- You will be informed before you leave of any damages your group will be charged for. Thank you so much for taking good care of these facilities.
- Have a great drive and please come back next summer!
