## Accessing Photos

We will no longer be using Bunk1 for Bunk Notes or photos. If you would like to access pictures of campers taken by our Camp WOW photographer, here's how to do it!

1. Go to our website: [www.campwow.com](http://www.campwow.com)
2. On the Home Page, under *Summer*, click *For Parents*.
3. Find and click *Photos* in the index to the left.
4. Click the orange Photo Galleries button.
5. Select the folder of the desired camp group.
6. When prompted, enter the password provided in your Parent Packet.

Please do not share this password with anyone, except the parents of campers attending Camp WOW.
